

The Goodguys "Chevrolet Performance Builder of the Year" is a new award sponsored by Chevrolet Performance to recognize two professional builders for crafting an exceptional car or truck. Two skilled Builders will walk away with bragging rights and the ultimate trophy - a Chevrolet Performance Connect & Cruise crate powertrain system to start their next build. **Are you built for this?**

There are two Classes to run for the Award

1. "Chevrolet GM Iron" Builder of the Year - awarded to a Chevrolet or GM vehicle build
2. "Chevrolet Retro Iron" Builder of the Year - awarded to a non-GM vehicle build, powered by GM powertrain

Qualifications:

The Chevrolet Performance Builders of the Year will showcase their craftsmanship and skills through an exceptionally built car or truck. There are no boundaries, no limitations. From period correct attention-to-detail to unique customization with modern performance, engineering, and styling, this coveted award will find its way to the right car, the right builder. The build will speak to the passion for power, performance, and beauty.

Basic Criteria:

This award is designed to honor two exceptional builds; a GM bodied car and a non-GM bodied car. All entrants must be GM powered. The award is open to all styles and genres of cars and trucks from traditional to radical to modern.

Eligibility:

Street Rods, Hot Rods, Trucks, Street Machines, Customs, Custom Rods and Muscle Cars through 1987 vintage at national events and through 2021 for Get-Together events.

How to Enter / Eligibility:

1. Must be a professional builder.
2. The builder (not the car owner) must register the build for a qualifying Goodguys event (see qualifying events).
3. The qualifying entry vehicle must be powered by GM.
4. The builder must register to run for "Chevrolet Performance Builder of the Year". The builder will enter for "GM Iron Class" for GM bodied builds (or) "Retro Iron Class" for Ford, MOPAR, AMC, or other builds powered by GM. Builders may pre-register online, or onsite at the Meguiar's Top 12 E-Z Up at the qualifying event.
5. Following car registration and Builder of the Year Registration, the vehicle must be parked in the "Chevrolet Performance Builders Choice" special parking area on Saturday of the event.

Selection Process:

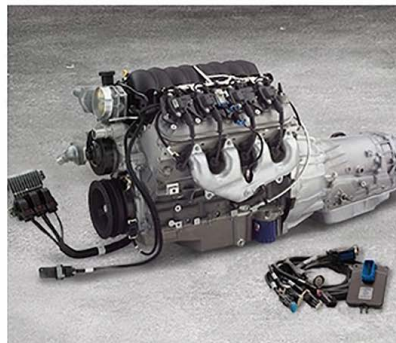

1. One "GM Iron Class" and one "Retro Iron Class" finalist will be awarded from the field at each qualifying event.
2. Qualifiers will be reviewed and selected by the Goodguys award selection committee.
3. Winners will be Announced Friday October 8th, 2021 based on class finalists selected at each of the qualifying events.

Qualifying events for 2021:

- * 11th FiTech Fuel Injection Springs Nationals (April 16-18, 2021)

*Because of their effect on a vehicle's emissions performance, these engines are intended exclusively for use in competition vehicles. These engines are designed and intended for use in vehicles operated exclusively for competition: in racing or organized competition on courses separate from public streets or highways. Installation or use of these engines on a vehicle operated on public streets or highways is likely to violate U.S., Canadian, state and provincial laws and regulations related to motor vehicle emissions.

FAQ's

Q: Can the car owner win this award? A: No. This award is giving credit and recognition to a professional builder and shop that built the vehicle.

Q: Can I run for a Meguiar's Top-12 Award and Goodguys Chevrolet Performance Builder of the Year? A: Yes. Entrants can qualify a vehicle for a Top-12 category and builder of the year.

Q: What if I can't commit to having the car on display at the 24th Speedway Motors Southwest Nationals (Nov 19-21)? A: The winning builder and vehicle must be on display at this year-end event. If the builder and the car cannot be there, the award will go to a runner-up.

Q: If I enter at an event and don't win a finalist qualifying pick, can I enter the same build at another event? A: Yes.

Q: Can I enter two vehicles, one for each class? A: Yes, however winners will be eligible for (one) connect & cruise package only. If you entered multiple vehicles and both are selected as a finalist pick, you will have to determine which class you want to be considered for builder of the year.
