All items sold in swap meet must be used auto parts only and is restricted to automotive products. No new or refurbished items may be sold in the swap meet area. Goodguys reserves the right to regulate and/or restrict the sale of items in the swap meet area. Any person found selling non-automotive related or new parts will be escorted out of the show and will forfeit the cost of the booth space. New items can (at the discretion of show management) confiscated and not returned to the seller until after the event.
